Overview of DofE Silver

Aim:
The aim of the RESOLVEit Silver Personal Safety campaign is to train participants to raise awareness of personal safety within their school and local communities.
The students will need to think of ways to deliver personal safety and self-defence messages to their local community and as part of this they will run safety blog for the duration of the campaign. Each participant will also receive training to enable them to deliver two RESOLVEit personal safety assemblies to one primary and one secondary school aged audience.
As an individual or a member of a team (3-6 members), the students will be expected to identify opportunities that will develop the understanding of personal safety within their local community.

What sort of work will the student do?

- Complete an e-induction via Thinkific (We send the school coordinator a link) Plus independent research into personal safety and RESOLVEit.
- Deliver Personal Safety / Self-Defence messages to their local community and run either a safety blog or poster campaign over the 6-month period (age appropriate to their chosen audience).
- Choose a location to deliver the personal safety assemblies/events
- Planning two assemblies/events
- Marketing their event in real life and on social media
- Group Work/Community Work
- Keeping a check list of tasks
- Taking photos of the event
- Sending evidence of their work to RESOLVEit

Important

- ALL social media campaigns/ posters / self-designed workshops must be preapproved by a RESOLVEit team member.
- The student should collate as much photo / video / screenshot evidence of their campaign as possible.

Duration
6 Months

Further information
At the end of the 6 months, the students will need to write a report about their Digital Safety Campaign. This should be sent to the RESOLVEit team by the school coordinator, so we can sign the student's assessor's report and give some positive feedback on how well they've done! A more detailed suggested plan for the students work, will be available on Thinkific when they sign up with us.

For any questions, please email us via dofe@resolveitcic.co.uk and we aim to respond within 2 working days.
