

Privacy Policy

Additional Privacy Details

By completing this form, you understand that all personal information given as part of your application will be stored and used within the provisions of the General Data Protection Regulation (GDPR), and Data Protection Act when passed, by this website to administer your application. This includes contacting you about your application using your contact details provided.

If you are applying for a course delivered in collaboration with our learning platform Thinkific, your data will also be securely shared with that organisation to enable them to assess your courses/workshops and contact you about it.

Failure to provide this data will mean that you will be unable to create a user account and use our workshops.

Your Rights

If you change your mind and no longer wish to submit or progress your application, please contact us at: enquiries@resolveitcic.co.uk

What are my full rights?

Under the GDPR, you have several rights in terms of your personal information. This includes the right to make a complaint if you feel that your information has not been used correctly. For more information on these rights, please see our privacy details on RESOLVEit's website and the [Information Commissioner's website](#).

How will your personal information be used?

RESOLVEit needs to collect and store the personal information requested in the form to process, assess and support your application.

What information do I need to give?

Your personal details that are needed to process your application and identify you.

Additionally, the following information that we are legally required to collect:

- How you found out about the course/workshop

- Feedback written and with permission video
- Name
- School name
- Workshop choice

Where will my information be stored?

Your information will be stored within RESOLVEit's systems which are all located within in a password protected server.

Who will be able to see my information?

RESOLVEit, who are responsible for your information (as the 'data controller').

Additionally, your data will be shared with trusted third parties*, for example in the provision of campus services such as IT Services, DofE, your school or other software providers in support of your form...
